Texas Hold'em has become one of the most popular poker games played today. It is a relatively easy game to learn yet very exciting to play. Everyone from celebrities, to big-money pros, to your average Joe can enjoy the game. If you are interested in learning the basics of Texas Hold'em, this course is for you. We will cover hole cards, hand ranking, betting, poker terminology, poker etiquette and provide you with the confidence to play on-line or in a live game with people you may not know.

About your instructors

Rick Cole has been playing poker for over thirty years. In 2005 he focused his attention on No-Limit and Pot-Limit Texas Hold'em and shortly after got his wife hooked on the game. Over the last couple of years he has taught the game to many of his friends and colleagues and at a number of local community centers in the Victoria area.

Fran Cole loves to play poker, particularly on-line. She would not want to make a living at the game, but "She wins more than she loses!" Fran started teaching Limit and No-Limit Texas Hold'em with her husband nearly two years ago and she enjoys teaching almost as much as playing poker.
